Fun in the sun in Lausanne

Dear Parents

Welcome to week 4 news and our action packed weekend.

Friday night Ian ran a music and movie themed quiz, which was very competitive and great fun. Winning Duo were Cullen and Stefan.

Saturday morning, we set off to Lausanne in our coach. First stop was the Olympic Museum and time to enjoy the lakeside attractions. Stefan, Parham and London went for a chilly swim in Lac Lemman.

Shopping then followed and then most went to watch Back to Black, which was enjoyed. On our way back we stopped for dinner at Holy Cow and McDonalds.

After a late brunch on Sunday, there were fun and games: playing lacrosse and basketball. Later in the afternoon students either went on a walk in the forest or played tennis.

Grade 11 and 13 continue to study hard for their exams and London will finish his IB this coming Friday.

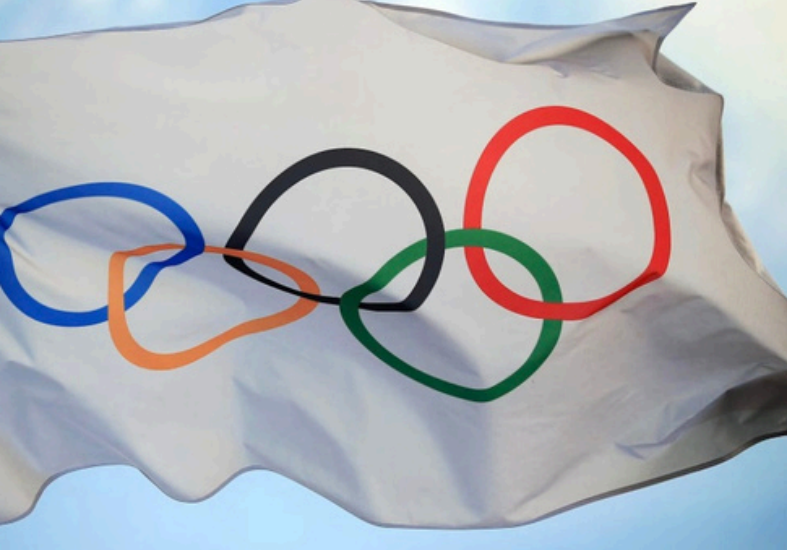

World Book Day took place last week and students enjoyed seeing the hard work put in by the Year 5 and 6 students in their PYP exhibitions focusing on Sustainable Development. Well done to all.

Hayley will be heading back to Hong Kong on Wednesday and we wish her well. We have enjoyed her staying with us this half term.
