First MLP Expedition, and they made it.....

Dear Parents

Welcome to week 3 of the term.

The first of the Mountain Leader Expeditions (MLP) headed off on Friday am. Weatherwise, it was the week that summer seem to end and winter began .

The group were challenged by the snowy conditions and all made it to the hut. It was a new experience for many and one that will remain very memorable and reflective.

The remaining students went out on a shopping expedition, followed by Laser Tag games in Villeneuve. On Sunday, a group went to a spa at Les Bains de Saillon and enjoyed the warm relaxing thermal waters.

The European Elite Downhill Racing took place in Verbier this weekend and the track is famous for being one of the toughest in Switzerland. Some of the students went along to watch. Some football and tennis took place locally on Sunday , and making the most of the sunny weather .
