

Verbiér, 23 February 2021

Dear Copperfield parents & students,

We hope you are enjoying a great start to the week. Today is a perfect day on the mountain and we are very grateful for such beautiful weather as our community enjoys skiing and play.

PARENTS' EVENING

The Canton of Valais has determined that physical parents' evenings are not possible. We intend to hold online parents' meetings instead and will write to you individually next week with your family's programme of meetings.

ADDITIONAL MUSIC AND LANGUAGE LESSONS

Thank you for your positive responses to this new dimension of our programme. We intend to begin individual piano', 'cello and music theory lessons towards the end of this term or at the start of next term, and will communicate individually about this with those who have expressed an interest. In the meantime music will become part of our regular lesson schedule from next week. Spanish and Italian will begin next term.

UNIFORMS

Our uniforms are now in stock, and are exceptionally high quality: many thanks to Johanna Lindner for guiding our procurement. Please see photographs of the items below. We invite parents to fill out the order list below, and then students will be able to try on items for size during lunchtimes later this week. Please note that the prices are at cost.

Yours faithfully,

Hugh McCormick
